

April 2020

Hello! We, the Royal School \$ense team members, miss seeing all of our Super Saver friends at Flynn each week and hope you are safe and healthy at home. We are working hard to create **fun activities** for all students to practice their financial literacy skills online. Keep reading to learn about the first set of activities, which include a chance to win \$25!

April is **National Credit Union Youth Month**, a program that helps teach and encourage kids to develop good financial habits. The celebration theme this year is **Money Magic**, featuring some enchanted animals that each have a special lesson to share about being smart with money!

We will post a new activity for kids **each Monday in April** on our Facebook page. Go to our page, www.facebook.com/likeRCU for details and play along for a chance to win \$25!

As always, keep helping your children practice those good saving habits by encouraging them to add money to piggy banks or wallets when possible. Consider inviting your children to do extra chores around the house to earn some money to save. We look forward to when we can help students save at school again. In the meantime, if you have any questions about the Royal Credit Union School \$ense program, please contact Diana Rohlik at 715-855-5471 or diana.rohlik@rcu.org.
