

UPCOMING FALL VOLUNTEER OPPORTUNITIES

WE NEED AND APPRECIATE YOUR SUPPORT!

To say this school year is “unique” is an understatement! Due to COVID-19, we are unable to host the same types of activities this fall. At a time when we would normally be asking for volunteers to assist with the many awesome Polar activities, we are instead having to ask our volunteers to help in other ways. Our volunteers are the heart of our Polar family, and we will miss seeing you in person as regularly. Please remain patient, flexible, and ready to assist when the time comes to resume in-school activities. We will need you more than ever! We can't wait for the green light and will be in touch right when that happens!
