

Manz PTA Meeting Notes, Oct. 29, 2019

Meeting Start: 5:04pm

Present: Sarah Stafford, Susan Larson, Winnie Doxsie, Julie Laleman, Sara Johnson, Heidi Laurin, Heather Grant, Kim Winkelmann

The Fundraising Committee would like to do 3 more fundraisers for a total of 5 for the 2019/2020 school year. In addition to the Spaghetti Feed and Otis SpunkMeyer cookie dough fundraiser that have been completed it was proposed to have the following fundraisers:

A Make Your Mark on Manz fundraiser to begin 12/1/19 and go for 3 weeks. Students will be asked to write to family members for donations.

A Bulb fundraiser selling flower bulbs in the spring of 2020 around Mother's Day.

A Bowling Fundraiser - we are working on getting more information but if this event works out it would be planned for the spring and would take place at Bowlwinkles Bowling Alley. There would possibly be an option for pizza as well. More details to come on this later.

Winnie Doxsie moved to approve 3 more fundraisers for the remainder of the year. Susan Larson seconded followed by a unanimous vote of those present to approve.

Susan Larson, Treasurer talked about the need to find ways to simplify the budget in the future. We discussed possibly donating money to Manz for things like field trips that are already in the budget as line items so that the school can pay for the expenses directly instead of having to go through PTA. We will be exploring this and other options further in the future.

Sarah Stafford will be making contacts this week about obtaining PTA insurance.

The bylaws were briefly discussed. There were no questions. Heather Grant moved to approve the proposed bylaws including the 10/29/19 addition that was emailed out. Julie Laleman seconded followed by a unanimous vote of those present to approve.

Meeting ended at 5:44pm
