SPEECH & LANGUAGE HOMEWORK

These simple activities will help you reinforce skills that your child is working on in speech-language therapy at home!

Week I	Assignment: Find a ball to toss or play catch.	Goal Areas Targeted
🗆 Early Language	Toss or roll the ball back and forth. As you do, model, "I have the ball." "You have the ball. Can I have the ball?" Encourage your child to use those words as well. Include other family members where possible! (ex: "She has the ball now.") Extension: add an adjective to your sentence (such as color, shape, or size). Example: "I have the <u>big red</u> ball." Work on following directions, too! Example: "Toss the ball in the corner." "Toss the ball up, then pass it to me."	 Turn taking Expanding sentences Pronouns Asking questions and requesting Subject/verb agreement Following directions
□ Older Language	Look at the ball before tossing it back and forth. Ask your child to describe it, using full sentences and prompt with the following questions if necessary: What kind of thing is this? [toy] What does is look like? [color, shape, size]? Where do we find it? [location] Compare the ball to something else near you. Ask: What is the same about these? What is different? Model correct grammar as needed. Say, "I am throwing the ball. I just threw the ball."	 Describing Similarities Differences Expanding sentences Subject/verb agreement Irregular past tense verbs
Speech Sounds	Have your child say his/her target word five times (or target phrase/sentence twice) before tossing the ball.	Articulation - all soundsPhonology - all patterns
□ Fluency (Stuttering)	Have your child practice his/her fluency enhancing strategies before tossing the ball. Ex: easy onset: "I am tossing the ball." chunking/phrasing: "I am tossing (pause) the ball."	 Fluency enhancing strategies

Week 2	Assignment: Find some paper and crayons/pencil/markers.	Goal Areas Targeted
🗆 Early Language	Put the paper on the table, but place the drawing tools out of reach. When your child reaches for one, model, "Can I have a (blue) crayon?" Encourage your child to ask a full question each time he/she wants to switch colors, and model as needed. Take turns sharing the crayons.	 Asking questions and requesting Turn taking Following directions Basic concepts Expanding sentences
	Have your child follow one and two step directions. Ex: "Draw a blue circle." "Draw a face on the circle, then make a hat."	
	Have your child draw a picture, then describe it, using full sentences. Draw one yourself and model! "Look, I drew a cat. The cat is chasing a mouse. They are in a house." Expand on what your child says as needed to model (ex: "I make cat." "Yes, you <u>made a</u> cat!").	 Pronouns Subject/verb agreement
□ Older Language	Have your child draw a picture of a location of his/her choice. (This can be a real place or an imaginary one!)	Describing
	Ask your child to describe the picture, using full sentences and prompt with the following questions if necessary: "What kind of place is this? Where do we find it? How would it be used? Who would be there? What other things could we see there? How could we get there? How or when was it made or created?"	 Similarities Differences Expanding sentences Subject/verb agreement Irregular past tense
	Make up a short story together about this place. (It can be silly if you want!) Compare it to places you have been in real life.	verbs • Answering questions
Speech Sounds	Have your child draw at least three things with his/her target speech sounds on the page. Practice saying them at least 5 times each.	Articulation - all soundsPhonology - all patterns
□ Fluency (Stuttering)	Have your child child draw a picture of his/her choice, then describe it to you, using his/her fluency enhancing strategies. Ex: easy onset: "I drew a cat." chunking/phrasing: "The cat is (pause) chasing a mouse."	 Fluency enhancing strategies

SPEECH & LANGUAGE HOMEWORK

These simple activities will help you reinforce skills that your child is working on in speech-language therapy at home!

Week 3	Assignment: Find some play dough or clay.	Goal Areas Targeted
□ Early Language	Put the play dough out of reach; when your child reaches for it, model, "Can I have the play dough?" and encourage your child to repeat the request. Continue the conversation with something like: "Yes, you can have the play dough, and I like how you asked! What color is this play dough?" Ask your child to follow basic directions while you play with the play dough. Ex: "Can you make a big ball? Now let's make a long snake." Then, have him/her give you directions! See how many different foods you can think of to make together, and take turns requesting a "bite" with a full sentence. Ex: "Can I have a small cookie?"	 Asking questions and requesting Following directions Basic concepts Categories Expanding sentences Pronouns Subject/verb agreement
Older Language	Have your child make an animal of his/her choice out of the play dough. (This can be a real animal or an imaginary one!) Have him/her describe their animal to you, using complete sentences, and including details about where they live, what they eat, if it is extinct or imaginary, and if it has any strengths or weaknesses. Compare it to other animals - how is it the same or different? If it is a real animal, you can look up more information together. Talk about what more you might want to know first! (Ex: "When did this dinosaur live?" "What do pandas eat?")	 Describing Similarities Differences Expanding sentences Subject/verb agreement Irregular past tense verbs Asking questions
Speech Sounds	Have your child make at least three things with his/her target speech sounds out of play dough. Practice saying them at least 5 times each.	Articulation - all soundsPhonology - all patterns
□ Fluency (Stuttering)	Have your child child make anything of his/her choice from the play dough, then describe it to you, using his/her fluency enhancing strategies. Ex: easy onset: "I made cookies." chunking/phrasing: "I made (pause) some cookies."	 Fluency enhancing strategies
