January 18, 2019 New Scholarships Highlighted

Please check this link often for new scholarships.

Students continue to watch your colleges of interest for school specific scholarship information for in-state, out of state, public and private colleges.

The information listed below are the names and details of scholarships available to Eau Claire Memorial High School students.

LOCAL Scholarships denoted with an **asterisk (*)** symbol indicates that the scholarship will be reviewed and/or awarded by an internal scholarship committee.

Mrs. Lisa Steig, Scholarship Coordinator, posts the scholarship applications as they arrive throughout the school year. Applications and application information is in the scholarship file in Student Services- front counter and on the MHS website-mid center of page.

Although many scholarships are based on grades and test scores, some are based on other criteria such as character, extra-curricular activities, volunteer work, and financial need. It is important to note that scholarships are designed for many types of career interests and GPA's vary.

Tips for Winning Scholarships

- ✓ Do not wait until May of your senior year to start applying for scholarships.
- ✓ Choose references that will say good things about you and give them at least a two to three week to write a letter of recommendation for you. Brag sheets are available in Student Services.
- ✓ Transcripts can be requested through *Parchment* and are free of charge. If you need a hard copy of your transcript, please see Mrs. Steig in student services.

- ✓ On a scholarship resume, **MORE IS BETTER**. Be sure to include everything you have done since ninth grade (ex. activities, work, leadership)
- ✓ Never pay for scholarship information.
- ✓ *There are various **FREE** searches for nation-wide scholarships. One example is: www.Fastweb.com
- ✓ UW-HELP and SallieMae also have additional **FREE** resources when looking for scholarship opportunities:
- ✓ <http://uwhelp.wisconsin.edu/paying/scholarships.aspx>
www.salliemae.com/collegeplanningtoolbox

Please contact the post-secondary school of your choice (The Admissions Office, the college scholarship tab if they have one and/or the Financial Aid Office) to review any potential scholarships you may be eligible for both public and private and in-state and out of state colleges.
