This job description in no way states or implies that these are the only duties to be performed by the employee occupying this position. Employees may be required to follow other job-related instructions and to perform other job-related duties as requested, subject to all applicable state and federal laws. Certain job functions described herein may be subject to possible modification in accordance with applicable state and federal laws.

Job Summary

The Bilingual Special Education Assistant supports teachers in the delivery of educational and behavioral interventions of Special Education students and provides bilingual assistance in the instruction and assessment of Limited English Proficient (LEP) students. The Bilingual Special Education Assistant also provides supports in general education classrooms with the goal of helping students to reach their educational goals. Due to the varied and individual needs of each student, Bilingual Special Education Assistants may provide a variety of support and assistance and should be flexible adjusting to student needs.

Essential Job Functions

- Delivers educational interventions designed by Special Education teachers to help students meet educational, academic, life skill, behavioral, physical, social and emotional goals.
- Introduces and interprets concepts and vocabulary in content areas so that students can understand and work independently.
- Serves as interpreter, translator, and resource person for school staff.
- May translate documents for staff, students, and families.
- Attends conferences, or other meetings with families to assist with communication.
- Assists teachers with Special Education students to enable learning with minimal disruptions to other students.
- Assists students with basic dress and grooming self-care.
- Administers medications as trained, assigned, and directed.
- Attends to physical needs of students. May include handling a variety of adaptive equipment.
- prepare for tests.
- Provides small group and tutorial instruction and supervision as directed.
- Provides preventative and follow-up behavior management to students exhibiting disruptive behaviors and documents these situations.
- Communicates effectively with staff, students, and/or parents regarding needs and concerns.
- Use Non-Violent Crisis Intervention (NVCi) and de-escalation techniques to assist with behavioral non-compliance and to work with students in crisis to enable their return to the proper academic setting.

- Learn and implement a variety of behavior plans for students.
- Uses knowledge of student needs to make necessary modifications to daily activities.
- Attends to health care physical needs of students, which may include feeding, toileting, diapering, responding to medical emergencies, and handling equipment.
- Performs healthcare procedures as required. This may include any of the following which qualify for the Bodily Fluid Increment if performed on a regular basis:
 - Special dietary Feeding (includes preparation)
 - Toileting
 - Diapering
 - Catheterization
 - Tube feeding
 - Credeing (physically emptying the bladder for the student by applying pressure in the proper area)
 - Urostomy (changing bag from incision on side of body)
 - Cleaning the trachea tube (a compressor is inserted into the trachea tube and the body substance(s) is removed)
 - Adult hygiene, especially for female care during menstruation
 - Any others which may be assigned

Ancillary Job Functions

- Assists in preparation of materials needed for classrooms, including duplication, lamination, etc.
- Assists in and around the school with recess/lunch/bus duty and general assistance in hallways and classrooms.
- Attends staff meetings and trainings as needed.
- Takes notes for students and provides to appropriate staff.
- Participates in professional development as directed.
- Attend and participate in family/teacher conferences as directed.
- Performs other related duties as assigned.
