

Hello 5th Graders and Guardians,

Thank you for working with each other and for helping us keep the learning going. We miss all of you and hope that your first day is starting off with lots of new and exciting learning opportunities.

Everything that you need to do and to keep up with have been sent home with you; along with the email for the reading response sheets that can be done in Notability.

All these assignments are to help keep your minds engaged in learning. This is not to overwhelm you or your family. Do what you can and spread the learning throughout the next few weeks.

Below is the information we wrote in our assignment notebook.

Reading:

- Read 20-30 minutes and sign the reading logs (just a way to keep track)
- Reading/Science Packet (Read the passages and answer the questions. This reading will count towards your 20 minutes of reading with the reading log)
- Reading Responses (With which ever book you are reading, take a moment and respond to it. Remember to open it up in Notability so you can type or write on it. Once you have all 6 responses, you can email the whole document back to me. Those that took the paper packet, you can bring it back to me April 6th.)

Math:

- Textbook pages 333-344 (do what you can and read through the examples)
- Homework and Remembering pages 171-180
- Think Central

Writing:

- Finish the History Report (This was due Friday, March 13th already. If you have not submitted it yet, please email it to your homeroom teacher within this week. Thanks!)
- Persuasive Writing (pick any topic and use the packet to guide you through your research)
- Book Creator (have fun making books)

Word Work:

- Study your word cards
 - receive reception
 - divide division
 - identify identification
 - proclaim proclamation
 - personal personality
 - simplify simplification
 - oppose opposition
 - consume consumption
 - unequal inequality

○ revise	revision
○ rupt	“to break”
○ bi	“two”
○ inter	“between” or “among”
○ quadr- (quad)	“four”
○ ject	“to throw”
○ cred	“to believe”
○ tri	“three”
○ aud	“to hear”
