

An Important Message from the Second Grade Teachers

Dear Families,

We know that the last few days have been full of rapidly changing events and we, like you, have been feeling some uncertainty as we navigate these uncharted waters. We hope that this letter helps to answer some questions that you may have been thinking of over the last few days and the days to come.

At Home Learning Activities for 2nd Grade:

The second-grade staff has worked hard to put together meaningful at home learning packets for your child. We have included activities that will be an extension of the learning that has already taken place in the classroom; there will not be any new concepts or skills included.

We look forward to having someone come to Meadowview on Tuesday afternoon between the hours of 1:00 and 4:00 to pick up your child's at home learning packet. (If your child was here on Monday, his/her at home learning packet is already in their backpack.) We realize that not everyone has reliable internet service and may not have access to a device, so the activities will not need an internet connection. There will be links to additional resources on the Meadowview webpage and that will require internet. **(To access these links, go to ecasd.us → schools → elementary → Meadowview → academics → at home learning → 2nd grade)** You can also access online resources that are already a part of Meadowview's library webpage. **(To access these links, go to ecasd.us → schools → elementary → Meadowview → academics → library resources → grade level links → 2nd grade links)**

We realize that these are trying times and we thank you for your flexibility and understanding. We are going to miss your children during this extended break and are looking forward to providing your family and second grader with valuable at home learning opportunities to continue their success.

Please contact your child's teacher through email, phone, or Bloomz if you have any questions or concerns.

Sincerely,

Mrs. Winkler
715-852-4043

Mrs. Farley
715-852-4028

Mrs. Hudson
715-852-4038

Ms. Stube
715-852-4026

Do you need internet service? See the back of this page!

If your family does not currently have internet service, please call this number:

1-844-488-8395

***Charter Spectrum is offering free internet to qualifying families during this time.**

***They are waiving hook-up fees as well.**

*Please verify this information when you call. We try to be current on all offers, but we cannot keep up with all the rapid changes for everything.
