

## **Week of April 6th - 9th checklist (No school Friday)**

This is what your child should do throughout this week. This can be done at whatever time works best for your schedule. 5th grade teachers will be available to respond to questions between the hours of 8 am and 3 pm.

### **Math**

Complete the 3 Think Central Assignments. (These are actually assigned on Think Central. The kids will click on the Think Central app, and instead of clicking on My Library, they will click on Things to Do. This will show the 3 different assignments.)

- 1.6 Think Central
- 1.7 Think Central
- 1.8 Think Central
- Complete the Fluency Check assigned to them

### **Writing**

- Make sure that your draft for Chocolate Milk Essay is complete
- Start the journaling assignment (Here are the [Journaling Assignment Directions](#))
  - The journaling assignment will also be posted to Canvas under Language Arts and then Writing

### **Reading**

- Complete four reading quizzes throughout the week (or more if you would like).
- Check read aloud section of Canvas and listen daily
- Continue reading whatever other book you have at your level

### **Social Studies**

- Make sure to work on completing your John White letter (if it isn't already done)

### **Other**

- Make sure to check for messages from your teacher. We will be sending a message (most likely through Canvas) to check in and see how you're all doing.

**Parents:** you have the option to be part of the Canvas course as an observer. This would allow you to see what your child sees on Canvas, but not participate. If you would like to be an observer, please let your child's teacher know!

Use this as a guideline for the week. Please check in with your child's teacher if you have any questions!
