

Dear families,

Please start looking for and organizing your child's materials that will need to be returned to Meadowview. Kindergartners have 10 library books as well as a blue guided reading book bag with guided reading practice books.

Here is the schedule for returning these materials to Meadowview:

Monday, June 8, 11:00 a.m. - 6:00 p.m. for last names A to M

Tuesday, June 9, 11:00 a.m. - 6:00 p.m. for last names N to Z

Please try to come return your things during your scheduled day. However, if you are unable to come on your scheduled day, it is fine to come and return your things either day.

Thank you for your help with this!

The First Grade Teachers have a video for you Check it out.

Draw a good-bye picture and send it to your teacher

Sight word spelling test: This week we are asking you to do a spelling test of the kindergarten sight words. We have the words you should test each day listed in that day's language arts section of the at-home learning plan. We are sorry we are not able to help you with this. We know this may be a struggle - please just do the best you can. Students can write the words on a piece of paper. After they have finished, please go over each word and help re-write any misspelled words correctly. Thank you for your help with this!
