

ECASD – OverDrive Educator Marketplace Account

A. Browse Titles – create wish lists of titles for purchase.

Use the Search bar, the Advanced Search to add titles to a cart, or use the Featured tab for lists compiled by our staff librarians.

<https://resources.overdrive.com/part-ii-searching-for-titles/>

B. Title Assignments – assign titles to students for up to 6 months.

[Admin] tab; select the Create Assignment button; Search for a title and set the start and end date for the assignment (up to 6 mos). Enter email address of teacher/admin who should be notified once the assignment goes live. Add student User IDs. The assignment will go live on the start date.

Title assignment

Fields marked by * are required.

SEARCH TITLES

* Start date

Select a date (today or later). If you assign a title with a start date of today, it can take up to 3 hours to process.

* End date

Select a date (cannot exceed 180 days from the start date).

* Email address(es) Clear

Enter the email address(es) for yourself and any staff members who should receive notifications and warnings about this assignment (including an email when the assignment begins, or if more copies need to be purchased).

CREATE ASSIGNMENT

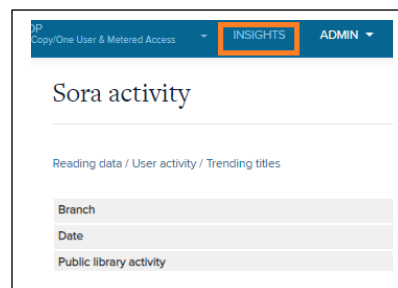

Add user IDs

Here's an example of what a user ID might look like for your school:
overdrivedemo

Enter one or more user ID separated by new lines:

OK **CANCEL**

C. Sora Activity – [Insights] tab to view activity by building.

D. Curate Collections – [Curate] tab to create collections of titles to be featured on Sora Explore.
