

Dear Families,

Below are this week’s at-home learning activities for your child. As a district we have recommended 150 minutes of learning activities per week broken down into reading/writing, math and MAPE (music, art and physical education). If you find that you are looking for additional activities and/or resources to do with your child during the week, below are Bonus Activities that you may find useful as well. If you have any questions, please feel free to reach out to your child’s teacher, Mr. Modjeski rmodjeski@ecasd.us , Mrs. Wainwright avanzilewainwright@ecasd.us or Mr. Haeny nhaeny@ecasd.us .

Mrs. Kneeland and The 3rd Grade Team.

Shuffle the cards and lay them on the table, face down, in rows. The youngest player goes first. Play then continues in a clockwise direction. On each turn, a player turns over any two cards (one at a time) and keeps them if the cards match (for instance, two kings). If they successfully match a pair they get to keep the cards, and that player gets another turn. When a player turns over two cards that do not match, those cards are turned face down again (in the same position) and it becomes the next player's turn. The trick is to</p>
