

Hello English Learner Families,

I hope you were able to get outside and enjoy the beautiful weather this weekend! I hope you have all received some materials in the mail from Mrs. Stovern.

I have met with many of you in 3<sup>rd</sup>-5<sup>th</sup> grade on Microsoft Teams. We will continue to meet this week as well. Look for a calendar invitation to meet in your group.

For those of you in Kindergarten- 2<sup>nd</sup> grade, expect to get a phone call from Mrs. Stovern or one of the BEAs to make sure that you received everything in the mail that you need to complete your work and to see if you have any questions or concerns.

### Kindergarten

Last week our vocabulary theme was "Feelings". This week we are working on "Family". Follow the same lesson plan with your new vocabulary words and book.

### 1<sup>st</sup>- 2<sup>nd</sup> Grade

Hopefully, you were able to go through two comics last week. This week choose two more comics to read and continue to follow the lesson plan.

1st- 2nd Grade

### 3<sup>rd</sup>- 5<sup>th</sup> Grade

Look for my invitation to meet with me as a group. In addition, plan on visiting the NEW Putnam Heights English Learners Canvas page. Plan on exploring the Canvas page for 5-10 minutes each day this week. During our meetings, I will ask about what you learned.

Take care,  
Mrs. Stovern
