

Monday, April 20, 2020

Dear Families,

We are writing this morning with a brief update for you.

Our first update is that we are going to begin to use the online learning platform, Waggle, to target essential learning and differentiate for our students. It will be very important for you to read through the attached letter and watch the short four minute video (link found in the letter). We are excited about this learning opportunity for our students!

Many students have been participating in our classroom morning meetings through Microsoft Teams, which has been such a fun way to stay connected during this time! In 5-S, we will continue to meet for morning meetings each week on Tuesdays and Fridays at 10am. However, privacy restrictions are requiring parent permission to use Microsoft Teams. Please follow this link to give permission to your child to join us on voice and video chats.

We hope this finds you all safe and healthy. Please do not hesitate to reach out with questions. We are here to support in any way we can!

The Fifth Grade Team

Mr. Mabie, Mr. Kunferman/Mr. Zen, & Mrs. Standen
