1. **Download** the Artsonia app on your Android, ipad or iphone

2. **Log in to the Class Portal** using iOS/Android app or browsing to artsonia.com/class. You will need the school access code BJKP-ZPFX to access the class lists and locate your name, which is organized by grade. *If you are new to Putnam recently and do not see your name, simply add it!*

3. **Students submit artwork, titles and statements**
   Photograph and upload your own artwork to the gallery "AT HOME ART", as well as optional titles and statements.

4. **Mrs. Connelly will review your submission** and "accept" it or return it for a better photo! I may add some feedback for you and your parent to read!
