

Greetings Roosevelt Families and Friends!

It is hard to believe that we have already reached the second half of our school year. In January, our students did a great job transitioning back into their regular school day routines returning from December's winter break. Thank you for helping your child get enough sleep, nutrition, and exercise at home. All three of these ingredients help set your child up for success! In addition, thank you for working with your child during last month's Great Kindness Challenge. Hopefully, the activities on the Act of Kindness checklist were both fun and rewarding for you and your family.

February brings us our final round of family-teacher conferences. As a parent or guardian, you play an important role in the education of your child. Your involvement in your child's education will help them feel more confident as a student and experience greater success. Related to this, our final round of Family-Teacher Conferences are scheduled for Thursday, February 29. You should have had the opportunity to schedule both your October and February conferences during our Welcome Back Day on September 1. If you did not schedule your February conference last fall, your child's classroom teacher should be reaching out to you to schedule this in early February. If you need assistance with scheduling your conference, please contact your child's teacher or call our Technology Department at (715) 852-3411.

When you attend your child's conference, you will also be asked to complete a quick six-question *Roosevelt Family Equity Survey* for each child you have attending Roosevelt Elementary. These can be completed on paper during in-person conferences, completed electronically on conference day, or completed ahead of time by clicking on this link: Roosevelt Family Equity Survey link Our goal is to receive survey feedback from 100% of our student's families. Thank you for helping us reach our goal!

Roosevelt Family Equity Survey:

At Roosevelt Elementary, we want to make sure that every family feels welcome and supported by our school regardless of race, gender, national origin, disability, or socioeconomic status. Please share your feedback with us using this short survey. Your response does not require child's student ID and will *be left completely anonymous. Thank* you in advance for your feedback!

February 2024

As we approach your conference day, please take a moment to consider the following ideas:

- Expect a two-way conversation. Like all good conversations, family-teacher conferences are best when both people talk and listen. The conference is a time for you to learn about your child's progress in school. But it is also a time for the teacher to learn about what your child is like at home. When you tell the teacher about your child's skills, interests, needs, and dreams, the teacher can build better connections with your child.
- Emphasis on learning. Good family-teacher conferences focus on how well the child is doing in school, as well as areas for improvement. To prepare for the conversation, please create a list of questions you would like to ask your child's teacher.
- **Opportunities and challenges.** Just like you, teachers want your child to succeed. You will likely hear positive feedback about your child's progress as well as areas for improvement. Be prepared to share what you perceive to be your child's greatest strengths and areas of need, sharing ideas used to overcome similar challenges at home.

Highlights from January:

- Thank you to those of you who were able to join us for our *PTA Night at the Sports Warehouse* on January 19! Thank you as well to our PTA for providing this awesome, community building experience to our kids and their families!
- Our Kindergarten enjoyed their field trip to the *Eau Claire Children's Museum* and our Fourth Grade enjoyed their field trip to the *Ice Age Trail* both took place in January. This is the first time in several years that neither field trip needed to be rescheduled because of inclement weather.
- Roosevelt students enjoyed amazing presentations from Mr. Mike Schneider and the *Pint-Sized Polka* as well as a presentation from local author Robin Kelley. Thank you to our PTA for supporting special opportunities like this!
- Thank you to our families who were able to support our *PTA Butter Braid fundraiser* as well as our families who helped coordinate everything. Proceeds from this fundraiser go towards additional field trip opportunities, guest speakers/performers, and our end-of-year carnival among many other ways benefit and support Roosevelt students. Thank you for your support!
- During the week of January 29, Roosevelt Elementary students joined nearly 18 million other students from more than 36,000 schools and 110 different countries around the world in *The Great Kindness Challenge*, collectively completing over 900 million acts of kindness worldwide! Along with learning about and practicing kindness throughout the school day, I hope your family had the chance to enjoy working together on kindness at home and in the community with ideas from *The Great Kindness Challenge Family Checklist*, which could be used year round.

Announcements for February:

Donations may be in the form of coins, cash, or checks with checks written out to the *"Roosevelt PTA"*. You may find more information here: Tiger Tuesdays
