

FIFTH GRADE
At-Home Learning Check List
Week of April 20-24

Dear Families,

Below is a table with this week's at-home learning activities for your child broken down by subject. The district recommendation is **300 minutes of learning activities per week**. Below the table are **Bonus Activities** that you may find useful as well. If you find that you are looking for additional activities and/or resources to do, have your child check out the grade level Canvas page (5th Grade Distance Learning-All Subjects). Please remind your child that we are reaching to them in Canvas; have them check their Inbox which is found on the lower right-hand side of the screen (when viewing the Canvas Course page on an iPad). If you have any questions, please feel free to reach out to the Fifth-Grade team:

Katie Albin (kalbin@ecasd.us), **Nikki Bartel** (nbartel@ecasd.us), and **Christy Brower** (cbrower@ecasd.us)

Sincerely,

Fifth Grade Team
