

FIFTH GRADE
At-Home Learning Check List
Week of May 18-22

Dear Families,

Below is a table with this week's at-home learning activities for your child broken down by subject. The district recommendation is **300 minutes of learning activities per week**. Below the table are **Bonus Activities** that you may find useful as well.

Focus for the Week

- **Writing-** Students should have finished with their Memoirs last week, if they still have not completed them please encourage them to finish as soon as possible and share with their classroom teachers. Please also have your student send 2 pictures, if they have not already. If students are completed with their memoirs, direct them to our Canvas learning page to work on their COVID journaling, as well as a written response to a video clip.
- **Math-** We have fully transitioned assignments to Waggle. Students will find a new Learning Goal to work towards this week.
- **Reading-** There are 2 activities on Waggle for students. This week we will have students "Read-to-Self," encourage them to share with you what they are reading and what they think about it.
- **Tuesday @ 2:00 pm-** On Tuesdays at 2:00 pm, there are now weekly class video chats via Microsoft Teams. In order to participate, families need to fill out a consent form for permission to meet with ECASD staff online. Please complete the [Consent Form](#) if you have not yet completed it. If you already filled out the form last week, you do not need to do it again. Students who have the consent form completed will receive a Teams invite from their teacher Tuesday morning. We look forward to seeing as many students as possible!

Please note again, we are recommending students to set a timer during their learning time. Students are showing great progress with the targeted learning goals and we couldn't be prouder of their hard work! As always, thank you for your support and if you have any questions don't hesitate to reach out to us.

Sincerely,

Fifth Grade Team

Katie Albin (kalbin@ecasd.us), Nikki Bartel (nbartel@ecasd.us), and Christy Brower (cbrower@ecasd.us)
