

FIFTH GRADE At-Home Learning Check List Week of May 25-29

Dear Families,

Below is a table with this week's at-home learning activities for your child broken down by subject. The district recommendation is **300 minutes of learning activities per week**. Below the table are **Bonus Activities** that you may find useful as well.

Focus for the Week

- **Writing-** Direct students to our Canvas learning page to work on their COVID journaling, as well as a written response to Scholastic articles.
- **Math-** We have fully transitioned assignments to Waggle. Students will find a new Learning Goal to work towards this week.
- **Reading-** There are 2 activities on Waggle for students. This week we will have students "Read-to-Self," encourage them to share with you what they are reading and what they think about it.
- **Tuesday @ 2:00 pm-** This Tuesday, students will be meeting with Mr. Stevens who will be their Guidance Counselor at DeLong Middle School. Students should watch [this video](#) before Tuesday and submit questions using the Assignment Link in Canvas. We look forward to seeing as many students as possible!

Please note again, we are recommending students to set a timer during their learning time. Students are showing great progress with the targeted learning goals and we couldn't be prouder of their hard work! As always, thank you for your support and if you have any questions don't hesitate to reach out to us.

Sincerely,

Fifth Grade Team

Katie Albin (kalbin@ecasd.us), Nikki Bartel (nbartel@ecasd.us), and Christy Brower (cbrower@ecasd.us)
