

Summer in the Library

As the end of the school year approaches, students are reminded that they are responsible for any lost or damaged books, AV materials, textbooks, and/or equipment. Fines will be assessed for these items and all fines must be paid. Students will need to turn in any fines to the Library.

Find the item(s) later? You will get your money back!

Students who have returned all their books and paid fines will be allowed to check out up to **10 library items for the summer**. Items checked out for the summer will be due on the first day of school in the fall. Eighth grade students are also allowed to check out for the summer. Their books can be returned to Memorial.
